

Dear Sirs:

I am a Continental Airlines very very frequent flyer and a member of the Continental Airlines Presidents Club. I have been traveling in the top tier of Continental's frequent flyer program for over ten years and have paid for membership in their Presidents Club for approximately the same period of time.

I support Continental's Petition to the FCC. I want Continental to be able to continue to provide its own wireless service to me and to other members at Boston Logan and other airports, which is a free service. I rely on Continental's seamless service wherever I fly.

Thank you for ensuring the right of the public to use the wireless service of its choice when, where, and how they choose.

Sincerely,

Madelyn K. Harding
